

DRIVER™

THE CRIMINAL UNDERWORLD
has accepted you as one of their own.
You are a getaway driver for hire. Speeding
through the streets of real cities with
working traffic systems, pedestrians and
motorists on the street and cops on patrol. You
are the best driver in the criminal community.
YOU ARE THE WHEELMAN.™

Unfolding storyline of intrigue and deception.

Real car physics and damage
modeling brought to you by the
creators of **Destruction Derby™ 1 & 2**

Real Cities — Los Angeles, New York, San
Francisco and Miami — All with recognizable
landmarks and working traffic systems.

Over 40 missions of high speed action!

DRIVER

20TH ANNIVERSARY

It's been 20 years since the first release of Driver.

**We, the dedicated fans of the serie, wish a very warm
and happy birthday to everyone at Reflections.**

**May this day be a celebration, for all pursuit games fans
around the world.**

The Driver Game community.

Driver: You Are the Wheelman

Developed by Reflections Interactive and published
by GT Interactive Software for the PlayStation
on 25 June 1999.

Playing this game got us our very first flat...

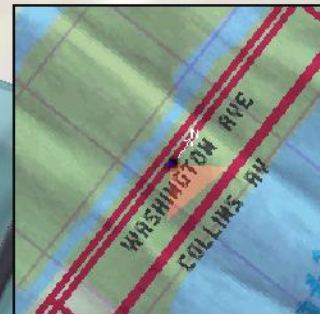

and our very first job interview!
